

### **Updates to plugins for Gold System**

Gold Father, Monday 22 December 2008 - 14:50:54

There are a batch of updates I have made available today as listed below

- » Gold Presents - adds some shortcodes - see wiki
  
- » Wishing Well. - Adds support for the gold centre charges plus some minor fixes
  
- » Gold Hi Lo updated - Adds support for the gold centre charges plus some minor fixes
  
- » Gold RPG Updated - Adds support for the gold centre charges plus some minor fixes
  
- » Gold Settings - Adds support for the gold centre charges plus some minor fixes

Plus Poker dice is now available for download.

**Upgrade with the plugin manager then, as always, do a plugin integrity check for incorrect or invalid files and a database validity check for any database table mis matches or discrepancies.**
